Consul-General, Mr. Taljaard and the Secretary to the High Commissioner for India. This picture appeared in the Pretoria News of the 8th. November.

The Minister of the Krugersdorp Methodist Church, Rev. D. Thompson, who with his wife, has recently returned from the East Berlin Peace Rally and a visit to Moscow, had been, according to the wife, most favourably impressed during their visit by the Russian authorities' "abhorrence of war and desire for peace".

When the PAO expressed his thanks to Mr. Hripunov at departure time, he was told in rather halting English that the Consul-General wished the PAO and his wife to attend a showing of some Russian films, -- "not political, just friendly". "I want to be friendly" he said.

While the diplomatic and official representatives had departed by 8 - 30, other guests were reported to have stayed until past midnight.

A copy of the picture referred to above is enclosed.

Chester R. Chartrand,
